İstanbul Idea Academy which is a pioneer, has the mission to serve business community as a think tank. It is designed to prepare sectoral or global economic researches based on the demands raised mainly from the vocational committees of the ICOC as well as public authorities or private businesses.

The Academy funded by İstanbul Development Agency of the State and founded as an independent institution, concentrated mainly on 4 subjects;

- 1- Market Researches for several sectors
- 2- Syrian Refugees
- 3- Development of Entrepreneurship
- 4- Information on Actual Economic Developments

Of the 53 studies and events 41 was realised inhouse IIA while only 12 was outsourced. Personally I wrote 30 of the 31 (4 with my associate Hakan Arca). Performance list of the Academy is given attached.

Meanwhile, I was also given new task to manage the ICOC Information Center which was

established as respected Project of the Chamber's President with the "motto" of answering all questions of the members...
